I have reviewed the remuneration packages of the staff in the top three tiers and **found changes** in their remuneration as compared with the preceding year. The tier(s) having changes and reasons for such changes are stated below -

(Please use additional sheet as necessary.)

Restructuring the top management of the Social Services Department for better service management and strengthening the support to social service centres since Jan 2017 was reported in last year.

The posts of Principal Social Services Secretary and Assistant Principal Social Services Secretary remain to be the first and second tiers respectively of the Department. As compared with 16/17, the major change in remuneration packages is on the third tier, which reflected the full-year's effect on annual staff cost after the restructuring.
