Content	In line with the theme of the activity, teachers and students from K1 to K3 visited Jordan Valley Park to familiarise themselves with the environment of the park and get closer to nature.	In line with the theme of the activity, teachers and K3 students visited the Water Resources Education Centre to learn about water resources and methods of water conservation.	In conjunction with the themed activity, teachers and K3 children visited the Legislative Council Complex to give children a preliminary understanding of the electoral system.	In conjunction with learning activities, teachers and K3 students visited HarbourChill in Wan Chai to help children develop an understanding of water conservation and encourage them to put this concept into practice in daily life, thereby cultivating good water-saving habits.	In conjunction with learning activities, teachers and K3 students visited the Po Leung Kuk Museum to cultivate kindness and generosity, and to learn about the history, origins, and diverse services of Po Leung Kuk, deepening their understanding of the Po Leung spirit.
