Suggested Improvement / Room for Development	Due to the location being far from the school, the round trip takes about 2.5 hours, so we arrange for the children to have a picnic at the park and at the same time allow them to enjoy the beautiful scenery of nature.	The workshop provided children with an experience of farming, which is meaningful. It is suggested that next time, before visiting this location, reservations can be made with the organization before the event.	In addition to appreciating flowers, the school can set up “mini task” in advance, such as finding flowers...to encourage children to engage during the visit.
